# Bringing together the best elements in African Banking.

Meridien International Bank Limited is one of the few banks to emerge from the developing countries onto the world stage. As a subsidiary of a group of companies tracing their origins to Africa, more than 30 years ago, it could be said to be among the few remaining true merchant banks. With over 100 sister companies spanning 40 countries in Africa, Asia, Europe and the Americas, it has unique experience; combining the advanced world technology and the vast on-the-spot knowledge of its indigenous managers engaged in agriculture, aviation, consumer and industrial goods distribution, manufacturing, international trade and transportation.

Meridien International Bank Limited and its subsidiaries offer a wide range of services: **Trade Finance:** Short-term revolving credit facilities. **Capital**

**MERIDIEN**  
INTERNATIONAL BANK LIMITED

Bringing African experience to the world
